OBSTETRICIANS AND GYNECOLOGISTS*

“WHO WE ARE”

The CAOG has a total membership of almost 600 OB-GYN’s residing primarily in the twenty-nine “central states” but also includes members who have relocated to the coastal states. Its members represent both academic and community leaders in obstetrics and gynecology. Most are heavily involved in residency teaching and actively participate in women’s health care education.

The mission of the Central Association of Obstetricians and Gynecologists (CAOG) is to promote optimal healthcare of women by providing high quality continuing medical education and a forum for advancing and discussing scientific research in obstetrics, gynecology and women’s health care. The CAOG is committed to addressing the concerns of a diverse group of community and academic obstetricians and gynecologists by fostering an atmosphere of collegiality, mutual respect, scientific inquiry and mentoring among its members.

For 90 years the CAOG has honored its mission statement and, in fact, was one of the founding organizations of the American College of Obstetricians and Gynecologists in 1951. Our members are known locally, regionally, nationally, and in many cases, internationally.

The CAOG Annual Meeting usually draws 150-200 physicians plus their spouses and guests from industry. Our meeting focuses on original research supplemented with updates on “Hot Topics” in women’s health care. Then this information is promptly disseminated to teaching programs across the country. This is why many of our industry supporters have found the CAOG Annual Meeting so beneficial in the past and keep returning year after year.

The CAOG Annual Meeting provides a great opportunity to exhibit and provide other kinds of support as described in this prospectus. We hope you will consider joining the CAOG at its 87th Annual meeting. The 2020 meeting will be October 28-31 at the stunning Meritage Resort in Napa, California. During grape harvest and crush season, we expect a sold out meeting again this year.

Please contact me with any questions you may have.

EXHIBITOR AND INDUSTRY SUPPORT INFORMATION

To Our Valued Friends:

Now in its 90th year, the Central Association of Obstetricians and Gynecologists has a long history and much valued association with industry. Each year this relationship is renewed and strengthened at the CAOG Annual Meeting. We believe the relationship is mutually beneficial and hope you will again support our educational efforts in women's health care.

Exhibit Hall:

In 2013 the CAOG attracted 200 physicians and a proportional number of spouses/guests to the Napa meeting. We will begin with a combined welcome reception and opening of the Exhibit Hall on Wednesday, October 28. This will be a great chance to meet each other. Then on both Thursday, October 29th and Friday, October 30th the Exhibit Hall will be the location of the breakfast buffet and mid-morning break – for more great opportunities to mingle and promote. The Exhibit Hall will be open until noon only, so that industry friends can enjoy Napa to the max! Exhibits will breakdown by noon on Friday for early weekend departure.

Exhibit Space:

Each company will receive a table top exhibit space and we are limited to the first 25 applications. The cost per exhibit space is **\$4,000** or double your space for \$6,000. An application form is enclosed for your convenience. Please let us know if you have any questions.

Other Industry Support:

If you are interested in sponsoring various event activities such as a breakfast, meeting break, welcome reception or gala banquet, which are all separate from designated C.M.E. activities, we would be most interested in your support. The CAOG has long worked closely with industry and welcomes all available opportunities.
